## Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2023 of **Onllwyn Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

### **Audit opinion: Qualified**

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

### **Basis of Qualification**

#### **Accounting Statement**

I am unable to conclude whether or not the Accounting Statement properly/fairly presents the Council's receipts and payments/income and expenditure and financial position:

- The Council did not provide a copy of the bank reconciliation requested for audit.
- The Council has not provided a complete explanation for significant variances within the year.
- The Council has restated its prior year comparative figures without explaining the reasons for the restatement or clearly disclosing it within its accounting statement.

#### **Annual Governance Statement**

I am unable to conclude whether or not the Annual Governance Statement is consistent with the Council's internal controls and governance arrangements for the year:

- Assertion 1 and 4: approval of accounting statements and exercise of electors' rights. The Council did not make proper arrangements for the approval of the accounts in line with the timetable and requirements set in the Accounts and Audit (Wales) Regulations 2014.

- Assertion 3: The Council has not provided evidence that it submitted to the Independent Remuneration Panel for Wales (IRPW) a schedule of payments made to members.

### **Other matters and recommendations**

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

### **Information not provided for audit**

In our audit notice we specify what information the Council must provide for audit and when. To avoid additional audit fees, it is essential that the Council provides all information requested with its initial submission rather than supplying only the annual return and asking us to notify the Council if we need further information. We inform the Council of our core information needs in advance.

### **Negative assertions**

The Annual Governance Statement sets out the expected minimum standards for local councils. We draw your attention to the Annual Governance Statement whereby the Council has stated a negative response to multiple assertions. We recommend that the Council makes the necessary improvements to its arrangements to address the deficiencies it has identified, when the Council has stated a negative to response within the Annual Governance Statement the Council must make appropriate disclosures within the annual return as to why it has made the negative assertions.

There are no further matters I wish to draw to the Council's attention.
